St. George High School
Home of the Dragons

TO

a majority of the students at St. George, school spirit is synonymous with attending various athletic functions and backing our teams with yells and loud cheers. While it is true that this is an important part of school spirit, we find that, in reality, it incorporates much more. School spirit actually consists of doing everything possible for the honor and the betterment of the school. Therefore spirit may be expressed by our participation in any school activity, by our backing of any of these activities, by doing our best in our studies (even homework) and by practising the Christian ideals taught to us by the Brothers.

We feel that this year spirit has been resurrected to a new high at St. George. Through the seniors' example, the entire student body has expressed outstanding cooperation with the school and thus set an example for the classes of coming years. In keeping with the idea of this new found spirit, the 1961 GEORGIAN has selected for its theme, School Spirit.

DEDICATION

BROTHER JOSEPH ANTONINUS, F.S.C.

By choosing a theme such as spirit, our task of picking a dedication was decided simultaneously. The decision pointed to one man. A Brother whose record exemplifies the true spirit of the Brothers of the Christian Schools. The man we speak of is the late Brother Joseph Antoninus.

One cannot look upon Brother's past record without admiring him as a truly dedicated man. He entered the Institute of the Brothers of the Christian Schools on completion of his high school education in Duluth, Minnesota. Brother received his further education at De Paul University; University of Illinois; Louvain University, Belgium; University of Chicago and the University of Minnesota. He received degrees from the latter two.

After teaching in many schools throughout the country, he was selected to attend the International Institute of the Christian Brothers in Belgium. He remained in Europe for several years, traveling over the entire continent. In 1944 he was sent to the jungle of Nicaragua where he spent the next ten years teaching the natives. During the last four years of his stay, he also served as the Director of the Clegio San Jose. In 1954 he was forced to leave that country and return to the United States because of ill health.

While at St. George, Brother Joseph was appointed District Mission Promoter of the St. Louis Province of the Christian Brothers. This honor was not disposed imprudently as one can see by tallying the amount of money he collected for all fund raising drives at St. George.

On January 29, 1961, Brother passed to his heavenly reward. At his funeral mass the entire student body gathered to pay their final homage to this inspiring man. In 1963 Brother Joseph would have celebrated his Golden Jubilee, completing fifty years of service as a Christian Brother. Some of these years were spent at St. George. These were not wasted years. Brother Joseph combined his spiritual, intellectual, and social vigor in an effort to improve our school and all its students.

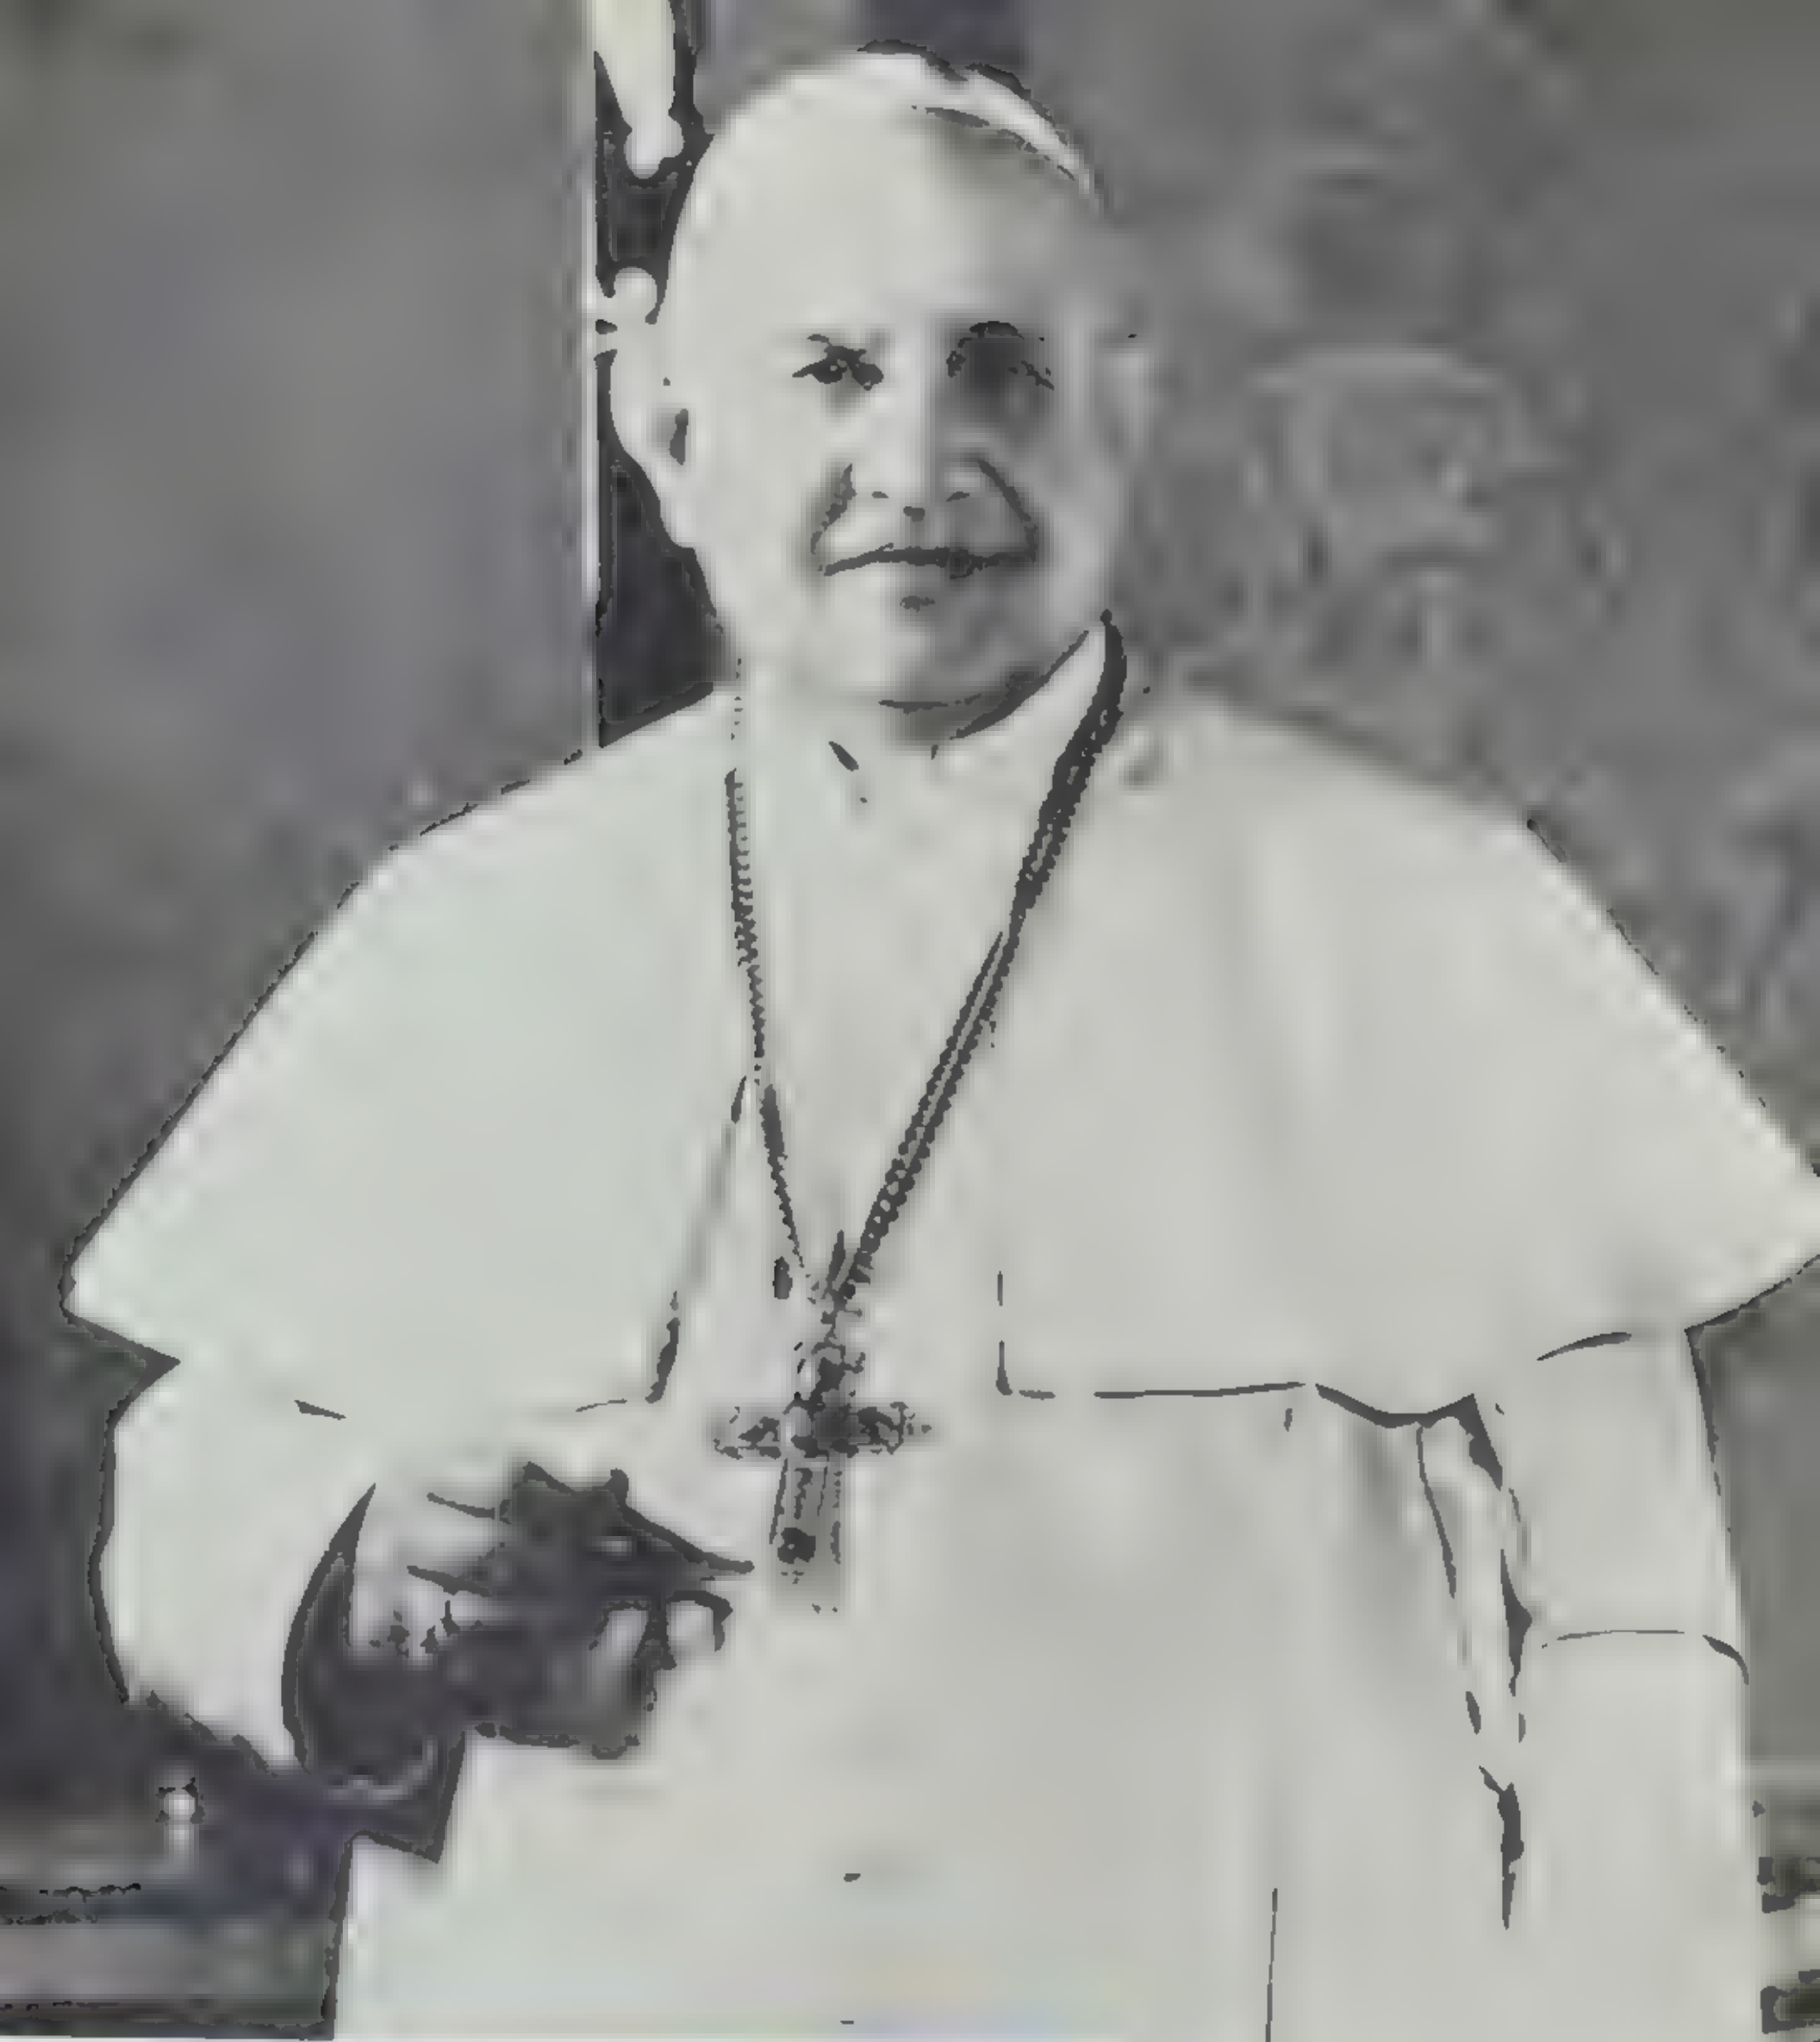

Angelo Roncalli, born on November 25, 1881, was the son of Italian peasants. He spent his early childhood working in the fields but he finally decided to quit the farm in favor of studying for the priesthood at the seminary in Bergamo. Upon his ordination, he returned to his diocese to serve as secretary to Bishop Radini-Tedeschi. He served in this capacity until the war, during which he served in both the medical and the chaplain's corps. After the war, he was assigned to the Congregation for the Propagation of the Faith. He worked in the organization until 1925, when he was consecrated Bishop by Pope Pius XI.

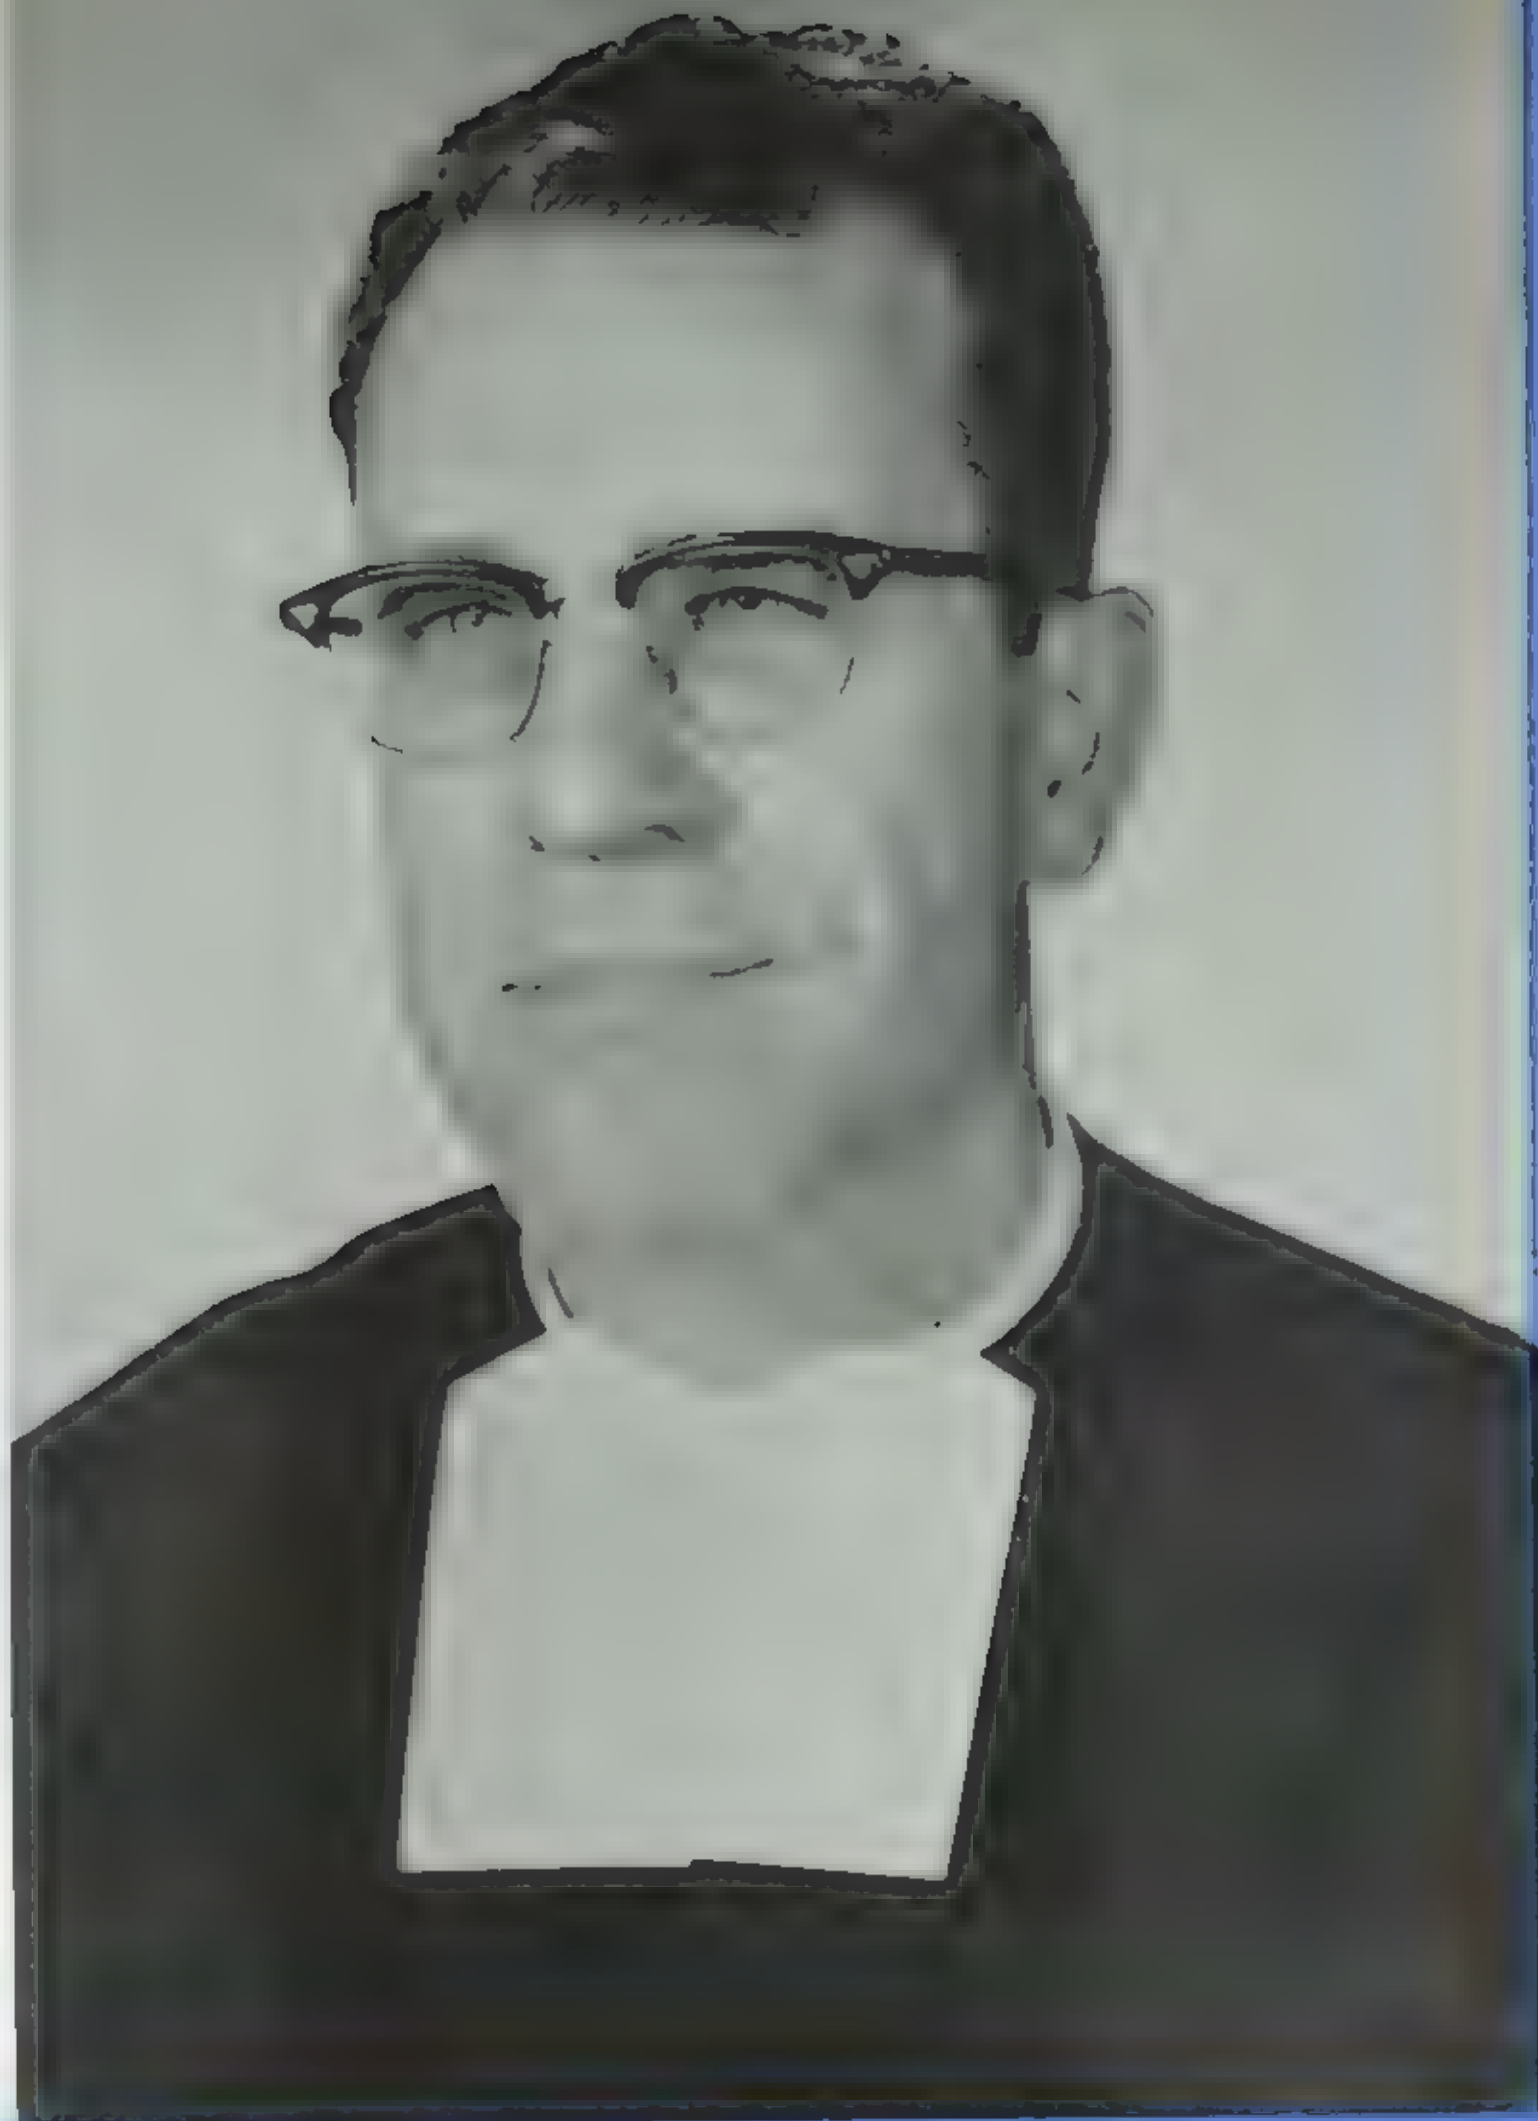

From 1925 to 1953, he served as apostolic delegate to many countries including Turkey, Greece and France. In 1953, he was raised to the College of Cardinals by Pope Pius XII and was made Patriarch of Venice. During his reign in Venice he earned the title of "Peoples' Patriarch" because he always made himself accessible to the people.

After the death of Pope Pius XII in 1958, he was elected as the new Pope by the College of Cardinals and he selected the name John XXIII. Early in his reign, he summoned an Ecumenical Council, the preparation of which will take two years. This immediate action shows Pope John's energetic spirit and foresight which are indicative of a fruitful reign.

His Holiness, Pope John XXIII

BROTHER H. RICHARD

Brother H. Richard, who came to St. George from Christian Brothers College is now completing his third year as Director of our school. During this short term he has become known for his keen interest in the improvement of the scholastic program at St. George, and for his support of the student body in their attempts to revive school spirit. His aid in these matters has greatly added to the relationship of teacher and student in school.

Efficiency is one of the most important requisites of a well-functioning school. This year, as in the past few years, the school term passed by swiftly and gracefully, without any major calamities. Brother L. Maurice, F.S.C. as Assistant Principal, is chiefly responsible for this work and most of his time is devoted to the execution of it. Brother did manage, however, to take off long enough to attend most of our teams basketball and football games.

As Dean of Men, Brother J. Hilary, F.S.C. spent most of his time, trying to keep the men of St. George on the paths of righteousness. During his busy day, Brother manages to find enough time to teach German to the underclassmen and to perform as the accompanist for the Glee Club. Brother's advise to the seniors is "Arbeit Macht Das Leben Suss" (Work makes life wonderful)

Since proper guidance is one of the most important things a senior needs, St. George is very fortunate in having for its Guidance Director, Brother J. Raphael, F.S.C. Brother's program reaches out to every individual senior and even to the juniors. Brother's goal is to develop a program that would one day reach even the freshman. His advise to the seniors is:

"Never cease to equip yourself further by prayer and serious study for the Christian's journey through this modern world; your science, learning, and success will be weighed in the balance impact for Christ you will make on society around you. Stand firm in the Faith; let the Church be your guide throughout life; fear only that which would separate you from the light and strength she gives."

COLUMBIA DAILY TRIBUNE-Tom Sullivan, 18..., today peered ahead to the 1964 Olympics. And well he might after bringing down the house in the Chicago Daily News Relays with a 1000 yard triumph over veteran rivals.

CHICAGO SUN-TIMES-Little St. George Miler Finds Big Heart to End. "He has fine basic speed," explains Don Amidei, his coach. "But, more important, he really punishes himself. He's got the heart. Tom is a real tiger for work. He's an excellent student, too, with an aim toward becoming a doctor. I'd say he has a brilliant career ahead of him in track and medicine."

CHICAGO AMERICAN-Sullivan circled the University of Chicago fieldhouse in the fastest U. S. indoor mile time for a high school boy when he led the field in the Maroon's Chicago Open in 4:12.5.

LOS ANGELES TIMES-Sullivan won all by himself in the prep mile with a fancy clocking of 4:13.7. Match that with the performance of experienced Istvan Raszavalgyi, who ran 4:07, and you get the general idea...He wowed the crowd of 13,324.

LOS ANGELES HERALD EXPRESS-Tommy Sullivan. Remember that name. This 18 year old high school student from Illinois may become America's answer to foreign domination of distance running. Sullivan ripped off a sizzling 2:01 half-mile which easily outdistanced second place finisher Bess in the prep mile.

LOS ANGELES EXAMINER-The near capacity crowd...thundered its biggest ovation upon Tommy Sullivan, 18 year old youth from Big Ten Country.

CHICAGO TRIBUNE-A Chicago Stadium crowd of 10,301 gave Sullivan, who attends St. George High School, a rousing ovation after he caught Olympian Peter Close on the final turn and whipped him by a yard in the good time of 2:10.5.

CHICAGO NEWS-Despite the presence of top international and college stars, Sullivan, a brilliant distance runner was awarded the trophy as the outstanding athlete in the meet.

CHICAGO DAILY NEWS-A quick, shy youngster, he has great determination and a rugged competitive nature. Unlike many milers and middle distance runners, Sullivan has good speed and recently ran :50.5 quarter mile relay leg.

FATHERS CLUB

Seated Mr. William Kuhnke, President; Mr. James Burke, Vice-President; Mr. Ben Hellgeth, Treasurer.
Standing: Brother J. Raphael, F.S.C. Moderator; Mr. Leonard Ficht, Recording Secretary; Mr. Sam Martorano, Corresponding Secretary.

The Fathers Club of St. George has worked hard to provide a spirit of guidance for the student body. Chief among its works is that it has established a closer understanding between father and son in the school. The most effective means of securing this has been the annual Father and Son Communion. For this, for their work in the Ma-Pa Festival, for their assistance in repairing the school and for the numerous other activities that they have undertaken, the student body and especially, the Senior Department wishes to thank them.

MOTHERS CLUB

Officers of the Mothers Club are: Mrs. Hieber, Corresponding Secretary; Mrs. Schmitt, President; Brother Jerome Anthony, F.S.C., Moderator; Mrs. Egan, Vice-President; and Mrs. Eiseman, Recording Secretary. Missing from picture is Mrs. Collins, Treasurer.

Like the fathers, the mothers of St. George students have recognized the need of their sons for assistance through the high school years. Therefore, in conjunction with the Fathers Club, the St. George Mothers Club puts on the Ma-Pa Festival and also sponsors a Communion breakfast with their sons. Also, through the work of its members many other activities are sponsored such as the Fashion Show and the card party. Again, we who are the recipients of the work of this organization wish to express our thanks to them.

Take it easy, Mom. You're trying me out.

Our mothers have done very much for us. Every year the Seniors try to show their appreciation for this undying charity. For a change, they take their mothers to a dance. It is a medium of what we owe them but their appreciation is worth a pot of gold.

Take it from the top girls

Cheers.
